## Birthday Party Overview

Our goal is to provide everyone with a fun memorable time that they will fondly look back on in the future. Yes, it's true....it is possible for Mom's and Dad's to have fun right along with the kids! Below you will find some of our most frequently asked questions (F.A.Q.'s) regarding our birthday parties. Please look over them carefully, and if you still have additional questions, please call us so that we may answer them for you.

---

**1. What happens if it rains during the party?**

Although we may not be able to keep the rain away, we can keep all of the sunshine in! The party will still occur as scheduled even if the weather is threatening, as our facilities are all indoors.

**2. What are the requirements and gear needed to ride?**

To ensure the health and safety of our guests, we ask that all riders be a minimum of three years of age at the time of the party. Younger children are certainly welcome to attend the festivities, but will not be permitted to ride. All riders must wear a helmet. (We have helmets available for children to borrow at no additional cost.) Riders must also wear closed-toe, non-slip shoes with a slight heel. (1/2" – 1" preferable) For the comfort of our riders, long pants are recommended.

**3. Can I bring extra party treats for my guests?**

Absolutely! Parents are encouraged to bring any additional items that would like to give to their guests.

**4. What happens if I decide to cancel my party after it has been scheduled?**

In some instances we understand that a cancellation is necessary, however we ask that you notify us as soon as possible if such an occasion arises. Also, please note that the \$50.00 deposit is non-refundable.

**5. What happens if I do not meet the minimum number of guests?**

We establish a minimum number of guests for each party as a part of the agreement. If the package is 10 and only 7 guests attend, you will still be billed for 10. However, if you are expecting twelve children and only ten arrive, you will be billed for ten since the minimum has been met.

**6. What is the party format?**

Typically the party begins with the cake and ice cream and finishes with the riding lessons. However, Rosebud reserves the right to change the arrangement if the weather, time of day, other events, etc. warrants it.

**7. Where is the Party Room?**

The Party Room is located in the Kitchen/Lounge, which is in the main building. It is heated and you may bring any decorations and party snacks to suit your party.

Finally we would like to remind parents that it is absolutely necessary to start the party on time. It becomes a challenge to squeeze in all of the planned activities when there is a delayed start. Also, if the party is late starting, please be aware that we can not extend the party's time. We look forward to having you spend your child's very special day with us!
